Dashboards -- useful, useless, somewhere in between?
Votes: 6

Comments:

How to transform a traditional operations team into SRE, in a traditional enterprise (with siloed role-based teams, such as Devs, Product, Architecture, and Ops)
Votes: 6

Comments:

- Dave Stanke
  A great (free! short!) book on the topic: https://sre.google/resources/practices-and-processes/enterprise-roadmap-to-sre/

If reliability is important for your organization, do you feel it is difficult to actually get budget for it?

Votes: 5

Comments:

Not invented here syndrome.
